2026 GRADUATION BULLETIN – MAY EDITION

GRAD FEES

Grad fees are \$60 and are payable in the main office. Fees are to be paid in full by Thursday, May 28th. The grad fee covers all expenses for Graduation. Expenses include, but are not limited to graduation gown, v-stole, souvenir cap and tassel, diploma jacket, audio equipment, staging and ceremony program.

GRADUATION GOWNS

We have entered into an agreement with a Canadian company which will allow graduates to keep their graduation gown along with their V-stole, cap, and tassel at no extra charge. Students will not be required to return their gown following the graduation ceremony.

Grad Gowns will be available for pick up during Exam Week. Date, location and time to be announced.

Please note that **ALL** outstanding fees (i.e.: student fee, sports fees, grad fee, etc.) must be paid prior to receiving your graduation gown.

All uniforms, textbooks and library books must also be returned.

Once you receive your gown in June, please hang your gown & V-stole immediately. They may be steamed, if necessary.

HAVE YOU ACCEPTED SCHOLARSHIPS?

If you have accepted **ANY** scholarships from post-secondary institutions, service groups, organizations, etc. you must provide a copy to Mrs. Russell in the main office or Mrs. Johnston via E-MAIL/TEAMS or in Room 717 by **May 28th**, so this can be included in the graduation program.

THANK-YOU NOTES

Students who receive a bursary or scholarship from a business or local service organization are expected to submit a letter of appreciation to the donor. This acknowledgment is an important expression of gratitude and is, in many instances, a requirement of the award.
